- 6.2 The Customer shall pay the price of the Goods and/or Services and (where applicable) any charges under clause 7.8.1 within 30 days from the date of the Company's invoice, and the Company shall be entitled to recover the price, notwithstanding that delivery and/or performance may not have taken place and/or that the property in the Goods has not passed to the Customer. The time for payment of the price shall be of the essence of the Contract. Receipts for payment will be issued only upon request.
- 6.3 No payment shall be deemed to have been received until the Company has received cleared funds.

- 6.5 The Customer shall make all payments due under the Contract or under any other contract with the Company without any deduction whether by

way of set-off, counterclaim, discount, abatement or otherwise unless the Customer has a valid court order requiring an amount equal to such deduction to be paid by the Company to the Customer.

Where the Company agrees to deliver the Goods to an address stated on the order or otherwise agreed in Writing by the Company, the Company shall specify the mode of delivery and the carrier and except where the parties agree otherwise, the carrier shall be deemed to be the Customer's agent and not the agent of the Company and delivery shall still be deemed to take place at the Company's place of business.
- 7.2 The Customer will provide at its expense, at the place of delivery adequate and appropriate equipment and manual labour for loading and unloading the Goods.
- 7.3 Any dates quoted or specified by the Company for delivery of the Goods and/or performance of the Services are approximate only and time for delivery and/or performance shall not be of the essence or made of the essence by notice. If no dates for delivery and/or performance are so specified, delivery will be within a reasonable time. The Goods may be delivered or the Services performed by the Company in advance of the quoted delivery/installation date upon giving reasonable notice to the Customer.
- 7.4 If the Contract is an International Supply Contract it shall be deemed to incorporate the latest edition of Incoterms current at the date of the Contract save that in the event of any inconsistency between Incoterms and any express term of the Contract the latter shall prevail. The Company shall be under no obligation to give the Purchaser the notice specified in Section 32(3) of the Sale of Goods Act 1979.
- 7.5 If the Company delivers to the Customer a quantity of Goods of up to 5% more or less than the quantity ordered by the Company, the Customer shall not be entitled to object to or reject the Goods or any of them by reason of the surplus or shortfall and shall pay for such Goods at the pro rata Contract rate.

- 7.6 Where the Goods are to be delivered in instalments, each delivery shall constitute a separate contract and failure by the Company to deliver any one or more of the installments in accordance with these Conditions or any claim by the Customer in respect of any one or more installments shall not entitle the Customer to treat the Contract as a whole as repudiated.
- 7.7 The Customer will take delivery of the Goods within 28 days of the Company giving it notice that the Goods are ready for delivery.
- 7.8 If for any reason the Customer fails to take or will not accept delivery of the Goods when they are ready for delivery, or the Company is unable to deliver the Goods on time because the Customer has not provided appropriate instructions, documents, licences or authorisations then without prejudice to any other right or remedy available to the Company:
- 7.8.1 the Company may store the Goods until actual delivery whereupon the Customer will be liable for all related costs and expenses (including without limitation storage and insurance) and the Company will be entitled to invoice the Customer for such costs and expenses monthly in arrears;
- 7.8.2 save where clause 7.8.4 applies the risk in the Goods will pass to the Customer (including for loss or damage caused by the Company's negligence);
- 7.8.3 save where clause 7.8.4 applies, the Goods will be deemed to have been delivered;
- 7.8.4 the Company may sell the Goods at the best price readily obtainable and (after deducting all reasonable storage and selling expenses) account to the Customer for the excess over the price under the Contract or charge the Customer for any shortfall below the price under the Contract.

8. Performance of the Services

- 8.1 In the absence of prior written agreement between the Company and the Customer the Company shall be allowed such access as it deems necessary to the Premises to perform the Services and the Customer shall furnish the Company without charge and within a reasonable time with all information available to it relating to the Services and/or Premises. The Customer warrants that it shall make all necessary preparations to the Premises and shall give such assistance without charge and at its own expense provide such facilities at the Premises including but not limited to the provision of access, light, electricity, security and other services as shall reasonably be required by the Company to enable it to exercise its

- 8.3 If in the reasonable opinion of the Company it is reasonably necessary to remove or otherwise disconnect any of the Customer's existing equipment at the Premises in order to carry out the installation of the Goods, then the Customer shall permit and obtain all necessary consents for, such removal and/or disconnection and shall give the Company all necessary assistance to enable such work to be carried out.
- 8.4 The Customer warrants that it will provide a safe working environment for the Company's employees, agents or sub- contractors, suitable protection of the Goods from the time of delivery and any necessary consents or permits to enable the Company to perform its obligations; and further warrants that the Company shall not be delayed in the performance of its obligations by any matter referred to in this clause or clause 8.1.
- 8.5 The Company will indemnify the Customer in respect of any direct damage to the Premises caused in the course of providing the Services by the negligence of the Company or the negligence or willful default of its servants, agents or sub-contractors provided that the Company's liability hereunder shall be subject to clause 12, and in particular the financial limit on liability set out in clause 12.4.

9. Non-Delivery, Late Delivery and Short Delivery

- 9.1 The quantity of any consignment of Goods as recorded by the Company at the time of collection from the Company's place of business shall be conclusive evidence of the quantity received by the Customer on delivery unless the Customer can provide conclusive evidence proving the contrary.
- 9.2 The Company shall not be liable for non-delivery, late delivery or short delivery of the Goods or non-performance of the Services unless caused by the Company's negligence and only then if written notice is given to the Company within 3 days of the date when the Goods should in the ordinary course of events have been ready for collection or the Services performed.
- 9.3 Any liability of the Company arising pursuant to clause 9.2 shall at the Company's option be limited to replacing and/or delivering the Goods and where applicable performing the Services within a reasonable time and/or issuing a credit note at the pro-rata Contract rate against any invoice raised for such Goods and/or Services.

whichever shall first occur. For the avoidance of doubt delivery of the Goods shall be deemed to be completed before off-loading of the Goods.

Payment in full shall include, without limitation, the amount of any interest or other sum payable under the terms of this and all other contracts between the Company and the Customer.

 - 10.5.2 any such sale shall be a sale of the Company's property on the Customer's own behalf and the Customer shall deal as principal when making such a sale.
- 10.6 Until such time that ownership in any of the Goods has passed from the Company to the Customer, the Company shall be entitled at any time to require the Customer to deliver up the Goods to the Company and, if the Customer fails to do so forthwith, to enter upon any premises of the Customer or any third party where the Goods are stored and repossess the Goods and the Customer grants and agrees to procure that its customer and any purchaser of the Goods from its customer grants the Company, its agents and employees an irrevocable licence at any time to enter any premises where the Goods are, or may be stored, for this purpose. The Company shall be entitled to recover payment for the Goods notwithstanding that ownership of any of the Goods has not passed from the Company.
- 10.7 The Customer shall not be entitled to pledge or in any way charge by way of security for any indebtedness any of the Goods which remain the property of the Company, but if the Customer does so all moneys owing by the Customer to the Company shall (without prejudice to any other right or remedy of the Company) forthwith become due and payable.

14.4.3 if the information is in the public domain other than as a result of a breach of clause 14.3.

15. Availability of materials, licences etc.

15.1 All Contracts arising out of orders accepted by the Company will be subject to availability of materials and to the Company being able to obtain any necessary authorisation or licences including but not limited to software licences and the same remaining valid. If the performance of the Contract requires the Company to have any permit or licence from any government or other authority or third party at home or overseas, the order will be conditional on such permit or licence being available at the required time and the Customer will use its best endeavours to assist the Company to obtain such licence.

15.2 The parties acknowledge that the Goods and/or Services being supplied may include Software. Where Software and the Intellectual Property Rights therein are owned by a third party (“the Software Owner”), it will be the responsibility of the Customer to enter into and pay for a software licence with the Software Owner and the performance by the Company of its obligations under the Contract is in all respects conditional upon the Customer entering into prior to or on the date of the Contract a licence agreement with the Software Owner or (as the case may be) a sub-licence agreement with the Company (in either case a “Licence Agreement”) governing the use by the Customer of that item of Software as may be required by the Software Owner. The Customer agrees with the Customer as a term of the Contract to be bound and abide by the terms and conditions of each such Licence Agreement.

15.3 Where the Software (including without limitation any programs written thereon) and the Intellectual Property Rights therein are owned by the

Company:

- 15.3.1 the Customer is purchasing only the media on which such Software is recorded or embedded;
- 15.3.2 nothing contained in the Contract shall be construed as an assignment or transfer of any Intellectual Property Rights in such Software or the programs written thereon, all of which rights are reserved by the Company;
- 15.3.3 the Company hereby grants to the Customer a non- exclusive and (except as provided in clause 15.3.5 below) non transferable licence to use such Software in the form in which it is embedded or integrated into the Goods at the time of delivery to the Customer as an integral part of the Goods for use in conjunction with the remainder of the Goods but subject to the condition that the Goods are used only for their intended purpose;
- 15.3.4 except as expressly permitted by this clause 15.3.4 and save to the extent and in the circumstances expressly required to be permitted by law, the Customer shall not rent, lease, sub-licence, loan, copy, modify, adapt, merge, translate, reverse engineer, decompile, disassemble or create derivative works based on the whole or any part of such Software or use, reproduce or deal in such Software or any part thereof in any way;
- 15.3.5 the Customer shall be entitled to transfer the benefit of the licence granted pursuant to clause 15.3.3 (“the Licence”) and the right to transfer the Licence in terms of this clause 15.3.5 to any purchaser of the Goods provided the purchaser agrees before making such purchase to be bound by the terms of this clause 15 including but not limited to the provisions of this clause 15.3.5. If the purchaser does not accept such terms then the Licence shall automatically and immediately terminate;
- 15.3.6 the Licence shall remain effective without limit in time until it is terminated in accordance with clause 15.3.5 or until the Customer shall terminate by erasing or destroying such Software. The Licence shall also terminate automatically and immediately if the Customer shall fail to abide by the terms of this clause 15.3 or breaches the Contract. Upon termination of the Licence, for whatever reason, the Customer shall deliver up to the Company the media on which such Software is recorded or embedded (and/or copies thereof) if any (in the Customer’s possession) or, at the Company’s option, shall erase or otherwise destroy such Software (and/or copies thereof) if any (in the Customer’s

possession) and shall certify to the Company that the same has been done.

16. Export Terms

- 16.1 Unless the context otherwise requires, any term or expression which is defined in or given a particular meaning by the provisions of Incoterms shall have the same meaning in these Conditions, but if there is any conflict between the provisions of Incoterms and these Conditions, the latter shall prevail.
- 16.2 Where the Goods and/or Services are supplied for export from the United Kingdom, the provisions of this clause 16 shall apply, (subject to any special terms agreed in Writing between the Customer and the Company) notwithstanding any other provision of these Conditions.
- 16.3 The Customer shall be responsible for complying with any legislation or regulations governing the importation of the Goods in the country of destination and for the payment of any duties on them.
- 16.4 Unless otherwise agreed in Writing between the Customer and the Company, the Goods shall be delivered to the airport or seaport of shipment at the cost of the Customer and the Company shall be under no obligation to give notice under Section 32(3) of the Sale of Goods Act 1979.
- 16.5 Where the Goods are supplied for export from the United Kingdom, the Company shall submit the Goods for its standard works tests (“the “Works Tests”) before delivery to the Customer.
- 16.6 The Customer or its authorised representative may attend the Works Tests. The Company shall give the Customer at least 7 (seven) days written notice of the date and time at which the Company proposes to carry out the Works Tests. In the event of any delay or failure by the Customer or its authorised representative in attending the Works Tests at such time, the Company reserves the right to proceed with the Works Tests without the Customer. In any event the Customer shall be responsible for arranging for inspection of the Goods at the Company’s premises before shipment. In relation to the Goods supplied for export, the Company shall have no liability pursuant to clause 11.3 for any claims in respect of any defect in the Goods which would be apparent on inspection and which is made after shipment, or in respect of any damage during transit. The Company shall not be liable for any defects discovered by the Customer once the Goods have been exported from the United Kingdom.

17. Termination

- 17.1 For the purposes of this clause a “Default Event” shall mean any such event as is described in clause 17.3.
- 17.2 If there shall be a Default Event the Company may, within a reasonable time thereafter, defer or cancel any further deliveries of the Goods and provision of the Services, stop any Goods in transit and treat the Contract of which these Conditions form part as terminated but without prejudice to its rights to the full purchase price for the Goods delivered and the Services performed and damages for any loss suffered in consequence of such termination. Where the Goods have been delivered and/or the Services performed but not paid for the price shall become immediately due and payable notwithstanding any previous agreement or arrangement to the contrary.
- 17.3 A Default Event shall be any of the following:
- 17.3.1 failure by the Customer to make any payment when it becomes due;
 - 17.3.2 breach by the Customer of any of the terms and conditions of the Contract;
 - 17.3.3 where the Customer makes any voluntary arrangement with its creditors or becomes subject to an administration order or (being an individual or firm) becomes bankrupt or (being a company) goes into liquidation (otherwise than for the purposes of amalgamation or reconstruction); or
 - 17.3.4 an encumbrancer takes possession, or a receiver is appointed, over any of the property or assets of the Customer; or
 - 17.3.5 the Customer ceases, or threatens to cease, to carry on business; or
 - 17.3.6 the Company reasonably apprehends that any of the events mentioned above is about to occur in relation to the Customer and notifies the Customer accordingly.
- 17.4 All rights and obligations of the parties shall cease to have effect immediately upon termination of the Contract except that termination shall not affect:
- 17.4.1 the accrued rights and obligations of the parties at the date of

termination; and

17.4.2 the coming into force or the continuance in force of any provision which is expressly or implied intended to come into or continue in force on or after termination.

18. Assignment and Sub-contracting

- 18.1 The Customer shall not be entitled to assign the Contract or any part of it without the prior written consent of the Company.
- 18.2 The Company may assign, transfer or sub-contract the Contract or any part of it to any person, firm or company.
- 18.3 Where the Company agrees to provide the Goods and/or Services the Company reserves the right to employ a sub-contractor of its choice for that purpose at any time.

19. General

- 19.1 Each right or remedy of the Company under the Contract is without prejudice to any other right or remedy of the Company whether under the Contract or not.
- 19.2 Failure or delay by the Company in enforcing or partially enforcing any provision of the Contract will not be construed as a waiver of any of its rights under the Contract.
- 19.3 No waiver by the Company of any breach of, or any default under, any provision of the Contract by the Customer shall be considered or be deemed as a waiver of any subsequent breach or default of the same and will in no way affect the other terms of the Contract.
- 19.4 The parties to this Contract do not intend that any term of this Contract will be enforceable by virtue of the Contracts (Rights of Third Parties) Act 1999 by any person that is not a party to it except that Software Owners shall be entitled to enforce all the benefits that they have against the Customer under this Agreement in relation to the Software.
- 19.5 If any provision of these Conditions (or any other conditions or other terms which may be agreed in writing between the Company and the Customer) is held by any court, tribunal or administrative body of competent jurisdiction to be wholly or partly invalid, unenforceable, illegal, void, voidable or unreasonable for any reason it shall to the extent of such invalidity, unenforceability, illegality, voidness, voidability, unreasonable or unreasonableness be deemed severable and the

remaining provisions of the Contract and the remainder of such provision shall continue in full force and effect.

- 19.6 The formation, existence, construction, performance, validity and all aspects of the Contract shall be governed by the laws of England and the parties submit to the non-exclusive jurisdiction of the English Courts.
